## PROFESSIONAL SUMMARY

Building state-of-the-art, easy-to-use, user-friendly websites and applications is truly a passion of mine and I am confident I would be an excellent addition to your organization developer's team. With my experience in building front-end web and mobile interfaces using technologies such as React, and JavaScript and, CSS. I actively seek out new technologies and stay up-to-date on industry trends most times for the love of learning and IoT.

During my time at Tiidelab, I was responsible for

- Led team of 9 React Frontend and Node Backend developers.

- 
- Handling the frontend business and tactical login using React and Redux
  - Built and deployed a fully functional ticketing system with a team.

## PROJECT

### **Frontend Developer, Lagos** - *TIIDELab*

SEP 2021 - DEC 2021

This is the project I built during my time at the TIIDELab fellowship. A Ticketing booking system called Ticket Xpress. A system where you can book both flight, bus, and train tickets to anywhere within Nigeria. Using

- Figma (UI/UX Design)
- HTML, CSS and Javascript
- React and Redux
- Git, GitHub, and Netlify

### **Frontend Developer, Lagos** - *TIIDELab*

JUN 2021 - JUN 2021

I built my web-based portfolio during the pre-fellowship program with Tiidelab, using

- HTML, CSS, Javascript, Git, and GitHub
- Hosted using Netlify

### **Mobile Web Specialist, Remote** - *Pluralsight*

SEP 2020

This is the final project from Pluralsight during the Google African Developer Scholarship to build a music album store, using

- HTML, CSS and Javascript

### **Mobile Web Specialist, Remote** - *Google African Developer Scholarship*

AUG 2020 - SEP 2020

This is a project built during my time at GADS. A PWA weather app using

- HTML, CSS, Vanilla Javascript.
- Service Worker, Local Storage, Lighthouse, Firebase.

## EDUCATION

### **Google African Developer Scholarship (GADs), Remote** - *Mobile Web Specialist*

APRIL 2020 - OCTOBER 2020

---

This program gives access to excellent Pluralsight skill courses as well as mentoring from the Andela Learning Community. All this is to help young Africans grow and become problem solvers.
